Experience

Fandom - Engineer (August 2021 – Current)

- Acquired from Red Ventures in October 2022.
- Worked on four sites to keep them best performing while developing a new codebase (TV Guide, Metacritic, CordCutters News, NoCable)
- Learned Vue to use in a new codebase that sets the standard for many in the organization to follow.
- Completed multiple TSAs to transfer the full ads, user, and video services on TV Guide.
- Mentored and onboarded multiple new employees.
- Fully moved NoCable's API backing to a different source while maintaining uptime.

Red Ventures - Associate Web Developer (November 2019 – August 2021)

- Acquired from CBS Interactive in September 2020.
- Kept two websites functional and up to date with consistent updates according to feedback (TV Guide, Metacritic).
- Fully redesigned Metacritic front-end to a newer style, utilizing existing backend to rebuild according to project owner.
- Worked with product owners to prioritize and complete work that led to monetary increases across the sites.

Rizepoint - Developer Intern (January 2019 – August 2019)

- Requested to return to the company for three quarters of my Enterprise.
- Developed front end experience to provide more functionality within the auditing service for customers within old code.
- Created new code in front end to make more features for customers and workers alike.
- Developed a custom Angular audit report that saved the company \$25,000 in an instance.
- Worked with marketing team to entice customers to buy service.

Neumont College of Computer Science - Academic Coach (January 2018 – June 2018, September 2018 – August 2019)

- Tutored for Introduction to Web Development (HTML / CSS / Basic JavaScript)
- Tutored for Interactive Web Development (Advanced JavaScript)
- Tutored for Front End Implementation (JavaScript Libraries)
- Tutored for Advanced Web Scripting (JavaScript APIs, Frameworks)

Education

- Bachelor of Science in Web Design and Development, Neumont College of Computer Science (August 2019)
- Associates of Science, Jefferson Community and Technical College (May 2016)
